#### ¶114.5 ASIA PACIFIC ECONOMIC COOPERATION

Mr. ROSTENKOWSKI moved to suspend the rules and agree to the following concurrent resolution (H. Con. Res. 113):

Whereas the Asia Pacific Economic Cooperation organization was formed in 1989 in order to strengthen regional ties among the economies of member countries of the organization by reducing barriers to trade and investment between such members;

Whereas the organization seeks to reduce such barriers through economic cooperation and the coordination of policy among such members;

Whereas the United States is a member of the organization;

Whereas trade between the United States and organization members Australia, Brunei Darussalam, Canada, the People's Republic of China, Hong Kong, Indonesia, Japan, the Republic of Korea, Malaysia, New Zealand, the Philippines, Singapore, Taiwan, and Thailand accounts for more than half of all United States two-way trade;

Whereas the United States exported \$218,000,000,000 of goods and services to members of the organization in 1992, an amount constituting 52 percent of the value of all United States exports in that year;

Whereas the volume of trade between the United States and the Asia Pacific region increased at an average annual rate of 9.1 percent between 1980 and the present;

Whereas that rate of increase exceeds the average annual rate of increase in trade during that period between the United States and any other region;

Whereas it is in the interest of the United States to expand trade between the United States and Asia Pacific countries in order to create more export-oriented jobs for Americans;

Whereas the United States, as a Pacific power with significant economic and security interests in the East Asia and Pacific regions, should be engaged actively in shaping institutional arrangements that advance freer trade and strengthen the multilateral trade system;

Whereas the annual ministerial meeting of the organization will be held in Seattle, Washington, on November 17 through November 19, 1993, and will be chaired and hosted by the United States;

Whereas chairing and hosting the ministerial meeting presents the United States with the opportunity to initiate a proactive agenda in order to achieve progress among members of the organization relating to economic competition, civil aviation, energy cooperation, use and exchange of technological data and products, intellectual property rights, human resources development, and the environment; and

Whereas a strong United States commitment to the organization can promote liberalization of trade among organization members, and can advance interests common to such members in a region undergoing rapid economic and political transformation: Now, therefore, be it

*Resolved by the House of Representatives (the Senate concurring),*

#### SECTION 1. SENSE OF CONGRESS.

It is the sense of Congress—

(1) to encourage United States leadership in the Asia Pacific Economic Cooperation organization; and

(2) that the President, the Secretary of State, and other representatives of the United States Government should take the opportunity presented by the scheduled chairing and hosting by the United States of the ministerial meeting of the organization in Seattle, Washington, on November 17 through November 19, 1993, to reaffirm the United States commitment to make Asia Pacific Economic Cooperation an effective regional economic organization that reduces formal and informal barriers to increased intra-regional trade through the harmonization of standards, trade, and investment policies.

#### ¶114.6 UKRAINE FAMINE ANNIVERSARY

Mr. BERMAN moved to suspend the rules and agree to the following concurrent resolution (H. Con. Res. 140); as amended:

Whereas this year marks the 60th anniversary of the Ukraine famine of 1932-1933;

Whereas, within one year, an estimated 7 million to 10 million people starved to death in Ukraine because of forced collectivization and grain seizures from the rural population by the Government of the Soviet Union;

Whereas Public Law 99-180 established the Commission on the Ukraine Famine to conduct a study to expand the world's knowledge of the famine and to provide the American public with a better understanding of the former Soviet system by revealing the Soviet role in the Ukraine famine;

Whereas the Commission's report to Congress confirms that Communist dictator Joseph Stalin consciously employed the brutal policy of forced famine to repress the Ukrainian peasantry in order to suppress Ukrainian self-assertion;

Whereas, on February 7, 1990, the Central Committee of the Communist Party of Ukraine acknowledged that the Ukraine famine was artificially created by the policies of Stalin and his closest associates;

Whereas internationally accepted principles of human rights condemn the use of food as a political weapon;

Whereas the official observances of the Days of Sorrow and Remembrance of the Victims of the Imposed Famine were held for the first time this year on September 10 through 12 in Kiev, Ukraine; and

Whereas members of the Commission on the Ukraine Famine presented a copy of 4 volumes of their findings and conclusions, 10 volumes of archival material, and 200 audio cassettes of testimony from famine survivors to the Government of Ukraine following the official observances in Kiev: Now, therefore, be it

*Resolved by the House of Representatives (the Senate concurring),*

#### SECTION 1. SENSE OF CONGRESS.

It is the sense of the Congress that—

(1) the victims of the Soviet-engineered Ukraine famine of 1932-1933 be solemnly remembered on its 60th anniversary;

(2) this anniversary underscores the hardship and inhumanity of life under the repressive regime of the Soviet Union;

(3) the Congress condemns the systematic disregard for human life, human rights, and human liberty that characterized the policies of the Government of the Soviet Union during the Ukraine famine of 1932-1933;

(4) the presentation of a copy of the findings and conclusions of the Commission on the Ukraine Famine to the Government of Ukraine, as well as the supplemental material, will assist in the dissemination of information about the Ukraine famine of 1932-1933, and thereby help to prevent similar future tragedies; and

(5) the manmade Ukraine famine is a graphic illustration of the unacceptable alternative to democracy and a free market economy, and therefore the United States should seek to help Ukraine and the other newly independent nations of the former Soviet Union as they transform their societies.

#### SEC. 2. TRANSMITTAL OF RESOLUTION.

The Clerk of the House of Representatives shall transmit a copy of this resolution to
